CURRICULUM VITAE

PERSONAL DATA

NAME: Gerald J. August, Ph.D.

MARITAL STATUS: Single (wife deceased)

ADDRESS: Home: 13254 Kerry Lane
Eden Prairie, Minnesota 55346

Phone: (952) 426-4646

Work: Department of Family Social Science

University of Minnesota
290 McNeal Hall
185 Buford Avenue
St Paul, Minnesota 55108

CURRENT POSITION

Professor of Family Social Science (2014-present)
Director, Center for Personalized Prevention in Children's Mental Health (2010-present)
Co-Director, Institute of Translational Science in Children's Mental Health (2013-present)

POSITIONS HELD

Chief, Division of Child and Adolescent Psychiatry [Interim] (1999-2007)
Department of Psychiatry, University of Minnesota

Professor of Psychiatry (1999-2014)
Department of Psychiatry
University of Minnesota

Associate Professor of Psychiatry & (1991-1999)
Director of Psychological Services
Division of Child & Adolescent Psychiatry
University of Minnesota Medical School

Acting Director (1993-1994)
Division of Child & Adolescent Psychiatry
University of Minnesota

Assistant Professor of Psychiatry (1985-1991)
Director of Psychological Services
Division of Child & Adolescent Psychiatry
University of Minnesota

Assistant Professor of Psychiatry & Behavioral Sciences (1981-1984)

Department of Psychiatry, University of Texas Medical Branch
Galveston, Texas

Assistant Professor of Psychology
Pennsylvania State University
Sharon, Pennsylvania

(1975-1979)

EDUCATION

B.A. 1970 Central Connecticut State University (Biological Sciences)
M.S. 1972 Southern Connecticut State University (Research Methodology, Statistics, and Measurement)
Ph.D. 1975 Purdue University (Developmental-Educational Psychology)

POSTDOCTORAL TRAINING

1976 University of Colorado
Institute for Behavior Genetics
(Postdoctoral traineeship in behavior genetics awarded by NIMH)
1979-1981 University of Iowa
Department of Psychiatry
(Postdoctoral traineeship in Psychiatric Genetics and Psychiatric Epidemiology awarded by NIMH)

CERTIFICATION AND LICENSURE

Texas State Board of Examiners of Psychologists 2-2457-6 (Inactive)
Minnesota Board of Psychology LP-0331
State of Massachusetts (Inactive)

CLINICAL QUALIFICATIONS

Psychoeducational & Personality Assessment:

Administration and interpretation of psychoeducational assessment instruments (intelligence, language, academic achievement) and personality tests

Neuropsychological Assessment:

Evaluation of behavioral, emotional and cognitive disorders with probable brain dysfunction - administration and interpretation of neuropsychological tests and measures which assess the following processes: memory, attention, sensory-motor integration; abstract thinking; visual, spatial orientation and logical reasoning. Also evaluation of developmental language disorders and specific learning disabilities.

Applied Behavior Analysis:

Development and implementation of individual and school-based behavior modification programs.

Diagnostic Evaluation of Child Psychopathology:

Direct and supervise multidisciplinary evaluation procedures for children and adolescents who are referred for behavioral, academic, and emotional problems. This includes the administration of structured diagnostic interviews, development of treatment plans, medication management, school consultation, and monitoring of outcomes.

PROFESSIONAL ORGANIZATIONS

American Psychological Association
International Society for Research in Child and Adolescent Psychopathology
Society for Research in Child Development
Society for Prevention Research

CLINICALSERVICE

University of Texas (1981-1984)

Clinical Director of Children's Inpatient Services

Clinical Director of Children's Center for Severe Behavior and Cognitive Disorders

Training and clinical supervision of psychiatric residents, psychology trainees and postdoctoral fellows, interns and other support staff

University of Minnesota (1985-present)

Director, Psychological Services

Director, Clinic for Attention Deficit & Learning Disorders

Co-Director, Center for Research in Autism & Developmental Disorders

Acting Director, Division of Child & Adolescent Psychiatry (1993-1994)

CURRENT TEACHING/SUPERVISION RESPONSIBILITIES

1. Coordinator/Supervisor/Instructor

Child & Adolescent Psychiatry Continuing Education Workshop Program

This is a series of one-day (6 hour) workshops offered to members of the general community as well as university students. I am responsible for the organization, administration, and oversight of this program which includes 20 individual workshops. I personally instruct each of the workshops listed below, from which I conduct eight per year.

CAPY 5620: Disruptive Behavioral Disorders I: Attention Deficit Hyperactivity Disorders (ADHD) throughout the Life Span

CAPY 5637: Disruptive Behavioral Disorders II: Conduct and Oppositional Defiant Disorders in

Childhood

- CAPY 5636: Disruptive Behavioral Disorders III: Assessment Methods for Diagnosis and Evaluation of Treatment
- CAPY 5639: Disruptive Behavioral Disorders IV: Medication and Behavioral Therapies
- CAPY 5625: Disruptive Behavioral Disorders V: Cognitive-Behavioral Therapies for Children and Adolescents.
- CAPY 5634: Developmental Disabilities I: Developmental Dyslexia
- CAPY 5641: Prevention Science I: Risk Factors, Protective Factors, and Models of Disorder
- CAPY 5638: Prevention Science II: Designing Programs for the Prevention of Delinquency, Criminal Offending, and Substance Abuse
- CAPY 5647: Prevention Science III: Building Friendships and Peer Relationships
- CAPY 5650: Prevention Science IV: Implementing and Maintaining Preventive Interventions in Community Settings

2. Supervision

University of Minnesota Clinical Psychology Internship Consortium

Provide direct clinical supervision for 4 predoctoral psychology interns in psychological assessment and psychiatric diagnostic evaluation.

PREVIOUS GRANT SUPPORT

1. Funded: GRANT-IN-AID of Research, Artistry, and Scholarship
 The Graduate School, University of Minnesota
 PI: Gerald J. August
 Project: "Hemispheric Asymmetries in the Subclassification of Pervasive Development Disorders"
 Award: \$9,610 effective July 28, 1986

2. Funded: GRANT-IN-AID of Research, Artistry and Scholarship
 The Graduate School, University of Minnesota
 PI: Gerald J. August
 Project: "Diagnostic significance of academic failure in children with Attention
 Deficit Disorder"
 Award: \$9,500 effective July 1, 1987

3. Funded: NIDA AND NIAAA Vulnerability to Drug Abuse Grant
 (Co-Investigator 10%)
 Project: "Twin/Family Study of Vulnerability to Substance Abuse"
 Award: Annual Direct Costs \$480,000

4. Funded: GRANT-IN-AID: Minnesota Medical Foundation
 PI: Gerald J. August
 Project: "Comparative and combined effects of methylphenidate and cognitive behavioral training
 techniques in the treatment of ADHD"
 Award: \$8,000 effective September 1, 1988

5. Funded: GRANT-IN-AID St. Paul Foundation
 Project: "Minnesota Autism Registry"
 Award: \$12,000 effective June 1, 1988

6. Funded: GRANT-IN-AID St. Paul Foundation
 PI: George M. Realmuto & Gerald J. August
 Project: "An Epidemiologic and Family Study of the Relationship Between Autism and Obsessive-
 Compulsive Disorder"
 Award: \$44,300 effective October 3, 1989

7. Funded: NIMH R01 (MH46584-01)
 PI: Gerald J. August
 Project: "School-Based Secondary Prevention for ADHD"
 Award: \$1,568,240.00 (February 1, 1991 - January 31, 1996)

8. Supplement: NIMH R01 (MH46584-06)
 PI: Gerald J. August

- Project: "School-Based Secondary Prevention for ADHD"
Award: \$66,700 (February 1, 1996 - January 31, 1997)
9. Funded: White Bear Lake Independent School District
PI: Gerald J. August
Project: "School-Based Prevention of Antisocial Behavior, Substance Abuse and Alternative Educational Placement for High-Risk Adolescents"
Award: \$73,500 (November 1, 1995 - October 31, 1996)
10. Funded: SAMHSA-CSAP SP-01 R01 Predictor Variables and Development Grant #7968
PI: Gerald J. August
Project: "Risk-Focused Prevention of Substance Abuse in High-Risk Youth"
Award: \$1,500,000 (October 1, 1996 - September 30, 1999)
11. Funded: CN101-087 Bristol-Myers Squibb Pharmaceutical Research Institute
PI: Gerald J. August
Project: "A Double-Blind Fixed Dose of Transdermal Buspirone in the Treatment of Children with Attention Deficit Hyperactivity Disorder"
Award: \$100,000 (effective April 1, 1997)
12. Funded: State of Minnesota Office of Drug Policy and Violence Prevention
PI: Gerald J. August
Project: "Early Risers" Risk Prevention Program: Effects of an Intensive Summer Day School Program
Award: \$116,000 (June 1, 1998 - August 31, 1999)
13. Funded: CN101-89 Bristol Bristol-Myers Squibb Pharmaceutical Research Institute
PI: Gerald August
Project: "An Open-Label, Long-Term, Flexible Dosage Safety Study of Transdermal Buspirone in the Treatment of Childhood Attention-Deficit Hyperactivity Disorder"
Award: \$100,250
14. Funded: ALZA Phase III OROS Methylphenidate Investigation
PI: Gerald J. August
Project: C98-011 "Multicenter screening for children with ADHD"

C98-007"Initiation of OROS (methylphenidate HCl) treatment in children with ADHD"

C98-005"Multicenter study comparing the efficacy and safety of OROS (methylphenidate HCl), Ritalin, and placebo in children with ADHD"

C98-012 "Long-term safety and effectiveness of OROS (methylphenidate HCl in children with ADHD"
Award: \$241,317 (effective September 1, 1998)
15. Funded: Noven Protocol N17-010
PI: Gerald J. August
Project: "A Multicenter, Double-Blind, Placebo-Controlled, Safety and Efficacy Study of Methylphenidate Transdermal System in Pediatric Patients with Attention-Deficit Hyperactivity Disorder."
Award: \$50,000

16. Funded: RO1 DA11062-01 NIDA (PA-96-013)
PI: Gerald J. August
Project: "Risk-Focused Prevention of Drug Abuse in Aggressive Youth"
Award: \$2,068,134 (March 1, 1997 - February 28, 2003)
17. Funded: RO1 DA11062 NIDA (PA-96-103) [Supplement]
PI: Gerald August
Project: "Risk-Focused Prevention of Drug Abuse in Aggressive Youth"
Award: \$73,000
18. Funded: State of Minnesota Department of Children, Families, and Learning: State
Incentive Grant
PI: Gerald J. August
Project: "The EARLY RISERS Substance Abuse Risk Prevention Program"
Award: \$555,210 (January 2000 - December 31, 2002)
19. Funded: Robert Wood Johnson Foundation
Project: "Reclaiming the future for rural youth at-risk for drug abuse: The Early Risers
"Skills for Success" Program"
Award: \$224,428 effective September 1, 2001
20. Funded: Noven Protocol N-17-018
Project: "A multicenter double-blind, placebo-based, safety and efficacy study of
methyphenidate transdermal system in pediatric patients with ADHD"
Award: \$50,000
21. Funded: Noven Protocol N-17-021
Project: "Open label study of methyphenidate in children with ADHD"
Award: \$50,000
22. Funded: Office of Juvenile Justice and Delinquency Prevention
Co-PI: Gerald August
Project: "Juvenile Offending Prevention: Early, continuous and intensive intervention
compared to late phase deterrence"
Award: \$900,000
23. Funded: GRANT-IN-AID of Research, Artistry and Scholarship
The Graduate School, University of Minnesota
PI: Gerald August
Project: "The Early Risers Program": A Community-Based Drug Abuse and Violence
Prevention Program
Award: \$25,000 effective January 22, 2002
24. Funded: GRANT-IN-AID: Minneapolis Medical Foundation
PI: Gerald J. August
Project: "Developmental Progression of At-Risk Peer Groups"

- Award: \$6,000
25. Funded: RO1-DA13240-NIDA
 PI: William Iacono
 Co-PI: Gerald J. August (3%)
 Project: "Twin Study of ADHD, CD, and Substance Abuse" (August 1, 2000 - July 30, 2005)
26. Funded: RO1 MH63328-01 NIMH
 PI: Gerald August
 Project: "Prevention of antisocial behavior in urban children"
 Award: \$1,824,512 (October 1, 2000 - September 30, 2005)
27. Funded: RO1 DA12995 NIDA
 PI: Ken Winters
 Co-PI: Gerald J. August
 Project: "Youth Drug Abuse, ADHD, and Other Disruptive Behaviors"
 Award: \$1,100,000 (March 2000 - February 2004)
28. Funded: McKnight Foundation [in collaboration with Pillsbury Neighborhood Services]
 Project: Prevention of antisocial behavior in high-risk youth
 Award: \$2,000,000 effective April 2001
29. Funded: R01 DA016067 National Institute on Drug Abuse
 PI: Gerald August
 Project: "The EARLY RISERS Multisite Implementation Study"
 Award: \$2,500,000 (October 1, 2004-September 30, 2008)
30. Funded: R01 MH074610-01 NIMH
 PI: Gerald J. August
 Project: "Integration of prevention services into a system-of-care"
 Requested Funds: \$2,490,000 (August 1, 2005-July 31, 2010)
31. Funded: R01 MH071299-01 NIMH
 PI: Gerald August
 Project: "Service Delivery of Innovations in Community Prevention"
 Award: \$2,500,000 (July 1, 2006 – June 30, 2011)
32. Funded: R34 MH077816-01 NIMH
 PI: Joel Hektner
 Co-PI: Gerald J. August (15%)
 Project: "Pilot Test of Adaptive Intervention to Prevent Youth Violence"
 Award: \$450,000 (June 1, 2007 – May 31, 2010)
33. Funded: R01 DA 012995 National Institute on Drug Abuse (NIDA)
 PI: PI: Ken Winters
 Co-I: Co-I: Gerald August
 Project: Youth Drug Abuse and Related Disruptive Disorders
 (September 28, 2007 – August 31, 2012)
34. Funded: R34 (MH0097832) National Institute of Mental Health (NIMH)
 PI: Gerald J. August Project: Adaptive Intervention Strategies in Conduct Problems Prevention

\$450,000

35. Funded T32 (MH 100026) National Institute of Mental Health
PI: Gerald J. August
Project: Translational Prevention Science Training Program
36. Funded: P20 (MH085987) National Institute of Mental Health
PI: Gerald J. August
Project: Center for Adaptive Intervention Models in Children's Mental Health
\$587,818/yr
37. Funded: R34 (MH0097832) National Institute of Mental Health
PI: Gerald J. August
Project: Adaptive Intervention Strategies in Conduct Problems Prevention
\$450,000

CURRENT GRANT SUPPORT

R34: NIH/NIDA R34DA037888: Differential Sensitivity Markers in Youth Drug Abuse Prevention, National Institute on Drug Abuse (NIDA). PI: Gerald J. August - \$450,000.

Foundation: Examining the Utility and Feasibility of Mobile Technology in Preventive Interventions to Promote Child and Family Mental Health: A Demonstration and Feasibility Project, The Lynn & Andrew Redleaf Foundation. Co-PI: Gerald J. August, \$1,541,467

University of Minnesota Grand Challenges: Minnesota Precision Medicine and Health Initiative: Tailoring Solutions to Advance Physical and Mental Health and Reduce Disparities – Demonstration Project – “Mobile Health Technologies for Adolescents and Young Adults with Depression in Primary Care Clinics”: PI: Gerald J. August.

GRANTS UNDER REVIEW

P50: Center for Precision Care in the Treatment of Youth Depression: Advanced Laboratories for Accelerating the Reach and Impact of Research Center, National Institute of Mental Health (NIMH). PI: Gerald J. August - Impact Score: 49

R61/R33: Targeting Self-Control using Mindfulness Training for Adolescent Conduct Problems, National Center for Complementary and Integrative Health Special Emphasis Panel Mechanisms of Mind and Body Interventions. (NCCIH) PI: Timothy Piehler, Co-I: Gerald J. August – Impact Score: 34

R01: Understanding the impact of parental substance use: Complementary natural experiments, National Institute on Drug Abuse (NIDA). PI: Soo Rhee, Co-I Gerald J. August – Under Review
